

It's Safe to Ask*

Ask your doctor,
nurse or pharmacist...

A photograph of a woman in a wheelchair, seen from the side, talking to a healthcare professional (likely a nurse or pharmacist) who is wearing a white coat. The woman is smiling and looking towards the professional. The background is a bright, clinical setting.

1

What is
my health
problem?

2

What do I
need to do?

3

Why do I
need to
do this?
